## FAQs

**Are your rates nett pricing? Any additional hidden charges for transportation etc?**

Yes, our rates are nett price. All the above quoted rates include transportation, setup & tear-down outside the hours of service confirmed. E.g. If you confirmed a 2-hour photobooth service, a full 2 hours will be dedicated to just phototaking and printing.

**Will all my guests get their own copy of photos?**

Yes, we print the photos accordingly to the number of pax in the image. E.g. If a group of 10 takes an image, 10 copies of that will be printed.

**Are the prints unlimited?**

Yes, guests can re-queue to have another round of fun with the props.

**How many templates do I get?**

We provide one template for each hour of service. E.g. You will get to choose 2 templates for 2 hours of service and 3 templates for 3 hours of service (1 template/hour).

**How many backdrops can I choose?**

You can choose one backdrop from our current selection of 8.

We hope that our packages will meet the needs and specifications for the service you require.
