

# M A S O N S

NO.8 LOCK ROAD

Restored to recapture the essence of colonial luxury, Masons is an ideal venue for a wide spectrum of events. The air-conditioned hall with natural lighting is complimented by a picturesque al fresco area with ample parking surrounding the venue.

Just a 10 minute walk from the MRT station and only 15 minutes from the CBD, Masons is a very exclusive yet accessible venue. Surrounded by lush greenery and housed in a traditional black and white bungalow from 1935, it makes for an exceptional and exquisite destination.

Total flexibility allows furniture to be set up in a configuration of your choice.

In addition, the menu at Masons can be customised according to the needs, specification and budget of each client.

Casual parties, mix and match from buffet to butler served canapés or a combination of styles to guarantee the perfect event for you and your guests.

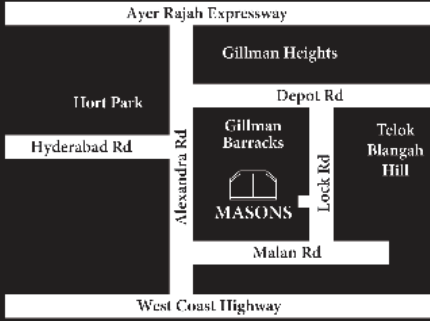

Masons promises smooth and well executed events with a reliable and experienced team of professionals, offering uncompromised hospitality for up to 200 guests.
