ABOUT US

It all began with love — not our own at first, but the kind we witnessed at our friends' wedding receptions. The way flowers seemed to echo every vow, every joyful tear, every gentle touch. They weren't just decorations; they were silent storytellers, adding grace and beauty to the most cherished moments.

MEET SHARON

I’m Sharon, founder of The Bliss Assembly, a floral studio that brings thoughtful, elegant flower designs to events, spaces, and gifting moments. We specialise in both fresh and preserved floral arrangements — perfect for corporate gifting, styling events, or adding a unique touch to client experiences.

Our team has been crafting flowers for over 300 weddings since 2018.
