POINTS TO NOTE

We will work closely with the presented images in this deck, but the final selection of flowers used to achieve the look of the floral products will depend on seasonal availability and the florist's discretion. Should the flowers be unavailable, the best alternative will be selected to achieve the des ired look of the floral products.
We cannot accept responsibility for any injury or loss resulting from the order supplied. Please inform us beforehand if you require us to avoid certain flowers due to allergies or any other reasons.
