Love Notes

Charlene Tam (MF Bride)

Hi Vania! Just wanted to say a HUGE thank you to you and your team for patiently assisting us throughout the day, leading all the way to yesterday!! Thank you Vania for always replying us so promptly no matter what time it was and making whatever we envisioned come to life!! Especially the table flowers being setup for first look, even our pgvg said it made a difference since no matter what it can be seen from the cam, and we are so so so grateful for that arrangement even though it was a hard no at first😭💖💖

Thank you Rico for also being a true MVP to us yesterday!! Whenever anything was thrown at us, we look up and you were always nearby for us to reach out too!! And once we shared the issue with you, you covered it immediately, I mean we don't even have to worry and moved on to focusing on enjoying our big day!! We are so so so grateful for the lead you were taking, even our parents were saying they didn't have to panic what's next because they can always just ask, and that speaks volumes to us because you extended the care to even look out for our family and friends!🥹❤️

We also want to thank the girls for being our super runners all the way till remembering our preference of having warm water for charlene and cold water for sean and that already speaks volumes!! Thank you for always helping us, especially with the trains of my gowns, clearing the collected dust from the floor away!! Super grateful for all the little details!!

Have a good rest and it was really our pleasure and greatest blessing to have you on our wedding day!!🥰✨ 9:42 AM

You

Thank you so much for yesterday btw, your team were wonderful and our family and friends thought yall were professional, efficient and so sweet! ❤️ 7:22 PM

Hi Vania,
We just wanted to extend our heartfelt thanks to you and your team for all the support yesterday and throughout the weeks leading up to our wedding day. You've been an incredible help during the planning phase, and your efficiency gave us so much peace of mind. It truly made the entire process smoother and more enjoyable for us.

Our day turned out more beautiful than we imagined (although more chaotic too). Thank you for holding everything together so that we can enjoy our day! Grateful to have chosen you as our coordinator 🙏

We engaged Milly and Frost for our wedding planning, actual day coordination, bridal bouquet, and car decorations.

We first met Vania at BOWS in September 2024, and she has been there for us ever since — ensuring every milestone was met and that we were happy with our vendors, wedding invites, and even the briefings for our bridal party.

We absolutely loved our bridal bouquets and car decorations — they were beautifully done!

Thanks to the team, our wedding day was truly fuss-free. Special shoutout to Vania, Sha, Rico, Sam, and Gerald for their prompt support throughout the entire process.

We also really appreciated the detailed follow-ups on the event flow and the thoughtful suggestions leading up to the big day — they made a huge difference.

We highly recommend Milly and Frost for their excellent coordination and dedication. We had complete peace of mind on our wedding day, all thanks to this amazing team! 💞

> Thank you once again to both of you for engaging us to take care of your special day 🥰 It has been a pleasure for us and hope that you had a memorable and great time!
> Have a good rest and relax these few days to recover 😊 hehehe

Ahhhhh, thank you so much, Vania and team!!
It has been such an absolute pleasure working with all of you. If we had to do this all over again, we would choose you in a heartbeat, every single time! 💗

Thank you for your patience, resilience, dedication, and hard work throughout this past year. We honestly could not have made this wedding happen without you. Truly. What felt overwhelming at times became manageable because we knew we had you by our side. Even while facing your own challenges, you continued to show up for us and remained committed to making our vision come to life. We will never forget the care, effort, and heart you poured into every detail.

You already know, from our very first call and interaction, you left such a lasting impression on us!! 💗 Your positivity, warmth, and cheerful energy immediately put a smile on our faces. From that moment on, I knew you were the planner we wanted, and you had exceeded every expectation we had.

Thank you for the reassurance, for answering our endless and silly questions, for keeping everything on track, and for helping us create memories that we will cherish forever.

From the bottom of our hearts, thank you. We are so incredibly grateful for you and your amazing team.
We wish you continued success in your career and all the happiness, good health, and blessings in the world for you and your family.
May you continue bringing joy and unforgettable celebrations to many more couples, just as you did for us.
