

CREATE
Your Story

Welcome,

Create Your Story specializes in producing intimate and exclusive weddings for couples like you who want to enjoy the pleasures of the wedding planning journey without any worry nor stress. So that, you have a thoughtful as well as supporting expert on your side. Understanding the dreams and hopes of a couple and designing personal stories that create everlasting memories is my deepest passion!

Exclusive events are my field of expertise for more than a decade, I love organizing and planning the details of a wedding, building your individual dream team of vendors and taking responsibility for the most important part of a wedding: you are the guest at your own celebration of love, enjoy it with family and friends and just be happy!

*All the love,
Daniela*
