HEAR FROM OUR COUPLES

From the moment we began planning our big day, the entire wedding team was nothing short of exceptional. Their attention to my requests and professionalism made the entire process smooth and stress-free. They listened to our vision, offered thoughtful suggestions, and brought everything to life more beautifully than we could have ever imagined.

On the day itself, they were calm, organized, and completely on top of everything. We're beyond grateful for the love and care this team put into making our wedding day absolutely perfect! Thank you to Pristine and her team for answering and fulfilling all my requests!

I just want to say a heartfelt thank you to the entire team at Changi Cove for making our wedding such a beautiful and memorable occasion. It was love at first sight when we did the site visit and the venue looked even more beautiful and magical on our wedding day.

A special thank you to our coordinator, Moe, for the outstanding service and support throughout the planning process. She was so thoughtful, accommodating and took the time to understand our needs for the wedding. We've received so many compliments from our guests, especially about the beautiful venue and food, which everyone thoroughly enjoyed. Thank you once again for making our special day memorable. We're truly grateful!

Charles and I wanted to extend our sincerest heartfelt gratitude for all the warm service and wonderful, out of this world hospitality that we received from you and your team. Starting from our enquiry with Andreas and Shi Hui, till the time Moe took over our case, we have experienced nothing but professionalism, kindness and warmth. The whole entire process was so smooth and fuss free for both of us, and even on the wedding day itself my family complimented on how the hotel service was so outstanding and the service staff all went out of their way to help my family's check in and ours. Our guests gave many compliments for the wonderful decor and venue considerations.

Shaik and the banquet team were so outstanding as well, accommodating to our every request in the most warm and generous way. We couldn't have asked for a better team and hotel to choose for our wedding. We had such a wonderful experience, a gorgeous day to remember and hearts full of gratitude.
