Why The Hornbill Is Our Wedding Mascot?

At Little Island Brewing Co., we celebrate enduring love with the Oriental Pied Hornbill. These majestic birds, often spotted at our Changi Village outlet, symbolize marital bliss and fidelity in Asian culture. Known for their monogamy and lifelong bonds, they epitomize everlasting love and commitment.

The male forages for the female and chicks, who stay in the nest with the mother until ready to fledge. They return to the same nest for subsequent seasons, showcasing dedication to family and home.

Celebrate your love with Little Island Brewing Co., where tradition meets timeless romance.
