A LITTLE ISLAND WEDDING

Love Is In The Air

Create milestone memories in our charming enclave with rustic village vibes. Enjoy a tropical atmosphere by day or starry skies and fairy lights by night.

At Little Island Brewing Co., we want your wedding to be full of fun and wonderful memories with family and friends. Dance on the tables, strike up the band, indulge in delicious bites, and savor our craft beers.

Why The Hornbill Is Our Wedding Mascot?

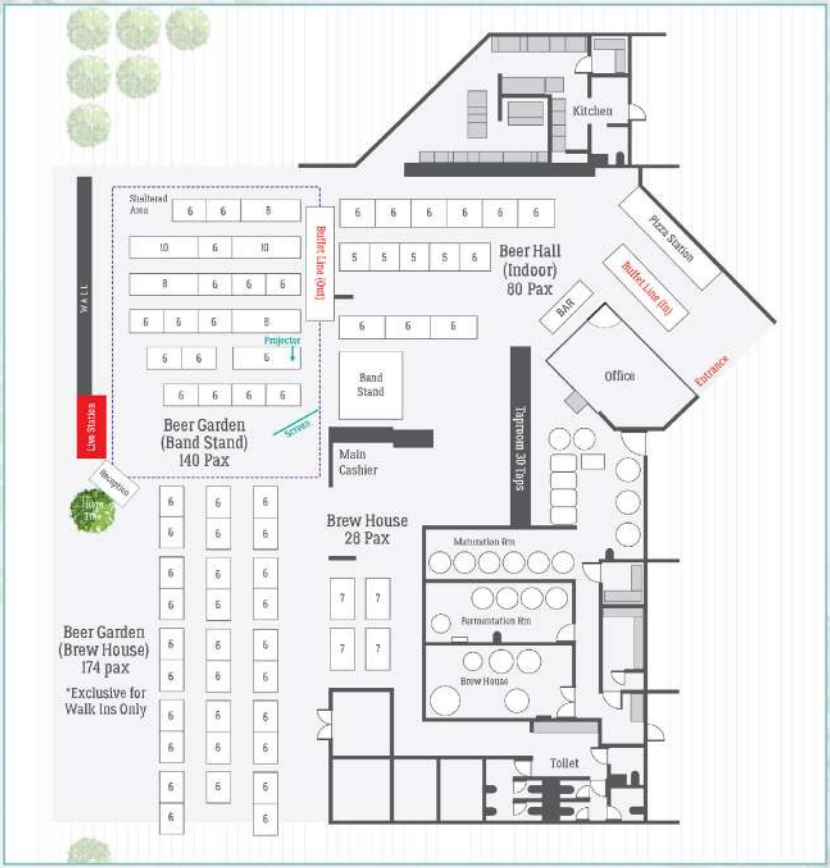

At Little Island Brewing Co., we celebrate enduring love with the Oriental Pied Hornbill. These majestic birds, often spotted at our Changi Village outlet, symbolize marital bliss and fidelity in Asian culture. Known for their monogamy and lifelong bonds, they epitomize everlasting love and commitment.

The male forages for the female and chicks, who stay in the nest with the mother until ready to fledge. They return to the same nest for subsequent seasons, showcasing dedication to family and home.

Celebrate your love with Little Island Brewing Co., where tradition meets timeless romance.

DRINKS

Our beer is brewed in small batches and in rotation, so the full variety may not be available all the time. Do check in with us closer to your wedding date what's on tap. We are a local brewery and we take pride in our own lovingly crafted beer – as such we will not allow any beer that is bought from elsewhere. Thank you for supporting us!

Set Your Own Budget Package

(Via Our Stored Value Prepaid Card System)

You decide on how much you want to spend on your drinks e.g. $1000++.
We will credit this amount into your event Rfid bar cards that will be held by our bar mgr and bartenders. They will help to pour for your guests until the bar credits run out. You will be notified when that happens, you can then decide whether you want to top up your credits, or not. We will provide coloured wrist bands to your guests for easy identification.

Victoria Huang. 16 July 2016

"...Our first meeting exceeded our expectations compared to our previous vendor visits, and we knew **this was it.** They were very accommodating to our wants and needs from the decor to the set-up and even the food menu changes. They managed to work within our budget and recommended items that tasted superb and priced reasonably.

...On the wedding day, **everything was perfect** from the set-up to the decor, food, service and our family and guests till this day **raved about the food and wedding experience.**

...I'd recommend LIBC as a wedding venue if you want an **out-of-traditional style wedding.** The **planning and coordination was so professional** and the **food is excellent.**

...We couldn't have done it without Little Island team that made it happen."

Shivani Priyadashini. 27 May 2017

"It's been only a week, but people are **still raving about the beautiful wedding** we had at Little Island Brewing Co. The **decor, food, drinks, ambience** and the **whole atmosphere** was **simply PERFECT!**

...the amount of effort and customization plus giving into our multiple changes and requests, but importantly, making sure that both Mateen and myself were going to have the **rustic and intimate wedding party** that we were going to have... a huge THANK YOU! You have helped us **create beautiful memories** that would last a lifetime."

Michelle Yeo, 6 August 2016

"...listened to our wish list from budget to decor to menu to demands for a dance floor and made every single one of them happen. Working with Little Island was great fun and absolutely fuss-free. No hotel ballroom wedding nightmare of minimum spend and overpriced, low-quality menus. They've also built up a small arsenal of experience in hosting wedding parties and work through details you never thought of. They were also flexible and considerate of our needs when it came to pricing, which meant we had a great time without having to burn our life savings.

...The wedding party was magical, Little Island's in-house band was great, food and beer were excellent, and many of our guests told us they had the best time."

f.a.q

Here are some questions that might be on your mind – do read through and let us know if you still have anything else you want to clarify.

1. What is the set-up and tear down time allocated?
We ask that you do not set-up or tear down during our peak periods (lunch and dinner), thus, set up on Saturday, Sunday, Eve of PH and PH will be from 3.30pm onwards. But otherwise, we are quite happy for you to come with your friends and have fun preparing for the big event.

2. Do you have a changing area?
We do not have a changing area. You may use our administrative office, if you do not mind the mess. Alternatively, you can book a room at Changi Village Hotel, the Civil Service Club or any of the nearby hotels.

3. Is the place air-conditioned?
We rely on the natural sea breeze but we do have some fans for extra wind.

4. How is the food served?
Sharing platters will be served to all VIP tables (up to 24 guests), whilst individually-platted portions will be served to all those that ordered vegetarian, halal and kids menus. All other guests may help themselves to the buffet line.

5. What about drinks?
Each guest is given a wrist tag (so that our staff can easily identify them) and our servers will help all guests to the drinks available on the tap or by the bottle.

6. What about kids?
The kids' menu is only for children between 6-12 years old. Children aged 5 and below will not be charged but can help themselves from the adult portions.

7. Will there be enough food?
We prepare the amount according to the number of confirmed guests.

8. What else is included in this package?
You may engage your preferred vendor for any decorations and flowers, but if you require our assistance, we will be happy to send some recommendations your way.

9. Is there a band playing at our event?
No, there will be no band performance included.

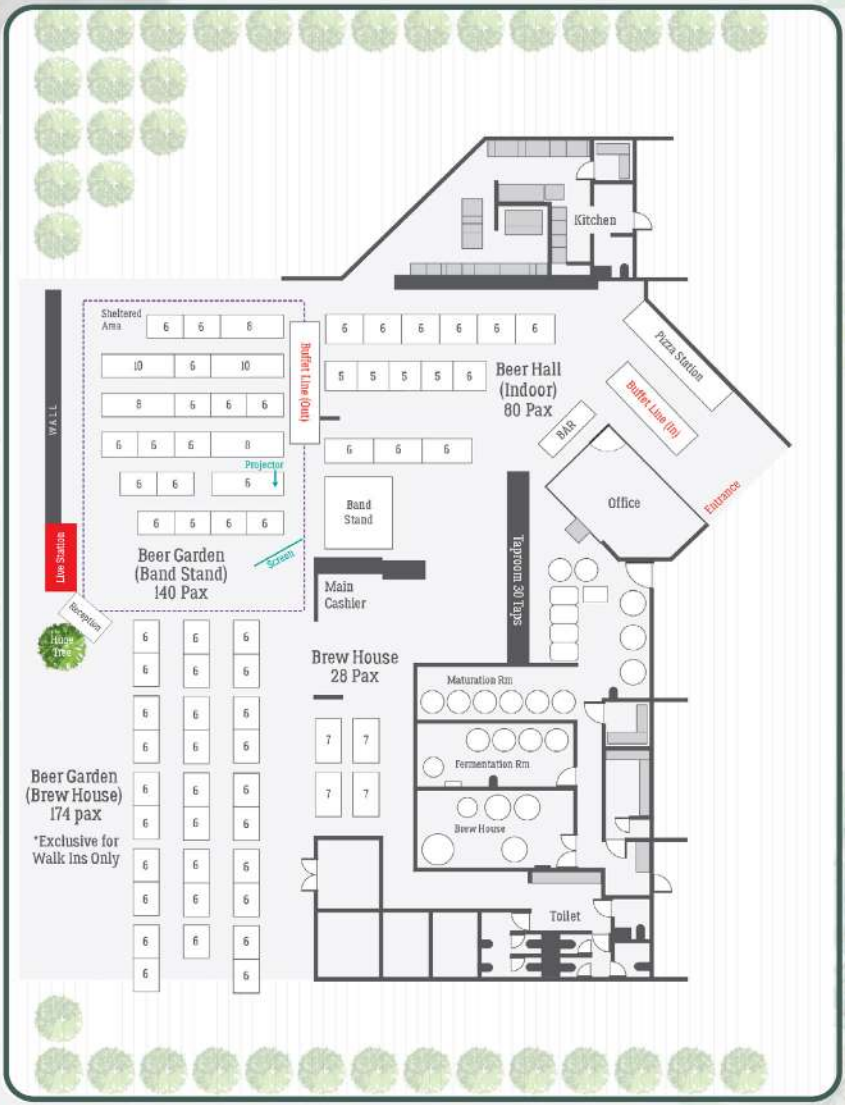

10. What is part of the minimum spending requirement?
Minimum spending includes all add-ons and charges from food and drinks, as well as beach solemnisation packages, before the 10% service charge and the prevailing Goods and Services Tax (GST). Please note that the minimum spending does not include Band Fees, if any.

11. How do I secure my booking?
Once you have confirmed the date and the package, we will require a non-refundable 30% deposit based on the headcount at that point in time. We will settle the balance at the end of the wedding. All prices are subject to a 10% service charge and the prevailing Goods and Services Tax (GST).

12. When must I confirm the final headcount?
Please let us know your minimum attendance at least 21 days prior to the wedding. The kitchen staff will make preparations based on this number. You may add on more guests after this time, but not subtract. Final additions must be confirmed 3 days prior to the wedding.
