THE GARAGE

Overview

THE GARAGE

The Garage sits at the nexus of history and style: an elegant 1920s Art Deco conservation building within Singapore's first UNESCO World Heritage Site.

- *Built between 1927-1928*
- *Used to be:*
  - *A garage for the cars of college professors and a residence for their drivers*
  - *School of ornamental horticulture*
  - *Office space for the Horticulture Department*
- *Located within former Economic Garden, where nutmeg, rubber and other economic crops were grown*

Botanico
-Dining Space-

Located on the second level of The Garage, Botanico serves contemporary-bistro, seasonality-driven cuisine in an airy, beautifully conserved interior. Diners can savour the best and freshest produce with robust flavours delivered

'straight from the heart.'

Capacity: 160 Seats (100 Indoor, 60 Alfresco)

Botanico -Terrace-

Also on level 2, is a unique air-conditioned al fresco bar.
The hidden garden bar is located on a spacious outdoor terrace, where revellers can mingle and soak up the atmosphere of the Gardens.

Capacity: 160 Seats (100 Indoor, 60 Alfresco)
